A Memo to Our Customers

We are now offering a complete selection of quality nursery stock for our wholesale trade.

EVERGREENS

(Lining out and B&B)

SHADE TREES

ORNAMENTAL SHRUBS

FRUIT TREES

ROSES

SMALL FRUITS

VINES

We urge all our customers to reserve their spring needs early, while good supply and selection are still available.

Evergreen orders are dug and immediately placed inside our large storage shed where they are protected from unfavorable weather conditions.

Deciduous stock will be kept in our newly remodeled cold storage shed where they will be available for immediate delivery at all times.

At no extra charge - we extend to all our customers the opportunity to personally select and tag nursery stock in our growing fields.

You are welcome at all times to visit our nursery.

Terms of Sale

All nursery stock is offered subject to prior sale, with no warranty expressed or implied, Net and FOB our nursery. We exercise the greatest care to keep our varieties true to name and hold ourselves in readiness to replace at any time, on proper proof, any nursery stock that may prove otherwise or to refund the amount paid, but it is mutually agreed that we shall at no time be liable for any amount greater than that originally paid for the nursery stock in question. A 2% cash discount is offered for Cash With Order only.

Packing Charges: For L. C. L. shipments of B&B stock add \$.35 per tree. On bare root deciduous stock, packing at cost. No packing charge on evergreen lining out stock.

All Shipments travel at Purchaser's risk.

Trucking: Write us for rates on delivery by our trucks.

BALLED AND BURLAPPED EVERGREENS

ROSES

MEMO on Potted Roses.

All of our roses will be potted in the new "Plantpots" as described on the opposite page. Roses will be potted in the 4 quart size which will have an attractive deep tan color. These roses should not be removed from the pot upon planting. They will breakdown rapidly upon contact with the soil.
